

Intern Selection 2004-2005

On March 16, 2004, ten of the Oakwood College Dietetics Internship Program Advisory Committee members met to select the 2004-2005 interns for the program.

They were Juliaette Phillips, MSW, Janis Newborn, MA, Marta Sovyanhadi, Dr.PH, RD, Donna Smith, MPH, RD, Nadine Daly, MPH, RD, Carol Wean, MS, RD, Carol Wheelock, MBA, RD, Patricia Winn, RD, Tabitha Johnson, RD, and Lindsey Olheiser, RD.

The criteria reviewed included:

- the GPA's of the prospective interns,
- relevant work/volunteer experience,
- letters of recommendation,
- letters of application,
- honors received,
- graduate work,
- membership in the Student Affiliation of the Dietetic Association,
- and prequalifying exam results.

It was a productive meeting. The committee members were very pleased with the quality of the applicants.

During the meeting, the program director presented an award of excellence to Janis Newborn, MA who has gone beyond the call of duty to support the Oakwood College Dietetic Internship Program. “This service that you (Janis Newborn) perform is overflowing in many expressions of thanks to God.” II Corinthians 9:12. Thank you so much!

A number of prospective interns have questions regarding how to prepare for the prequalifying exam. Recommended study helps include:

- notes from previous coursework (DPD or other related coursework),
- Inman’s Review of Dietetics,
- Breeding and Associates Educational Resources, or
- RD in A Flash.

If a prospective intern would like to know more about how to obtain the materials to study for the prequalifying exam, please do not hesitate to contact the program director.

The Advisory Committee will meet again on March 21, 2005, to select the 2005-2006 interns.
