	<b>11</b>	PEXXX Activity	<u>1</u>
			<b>11</b>

**Total Hours 132-133**

Students who wish to enroll for additional credits in Year Five are encouraged to add a nursing elective, such as NU106 Non-Drug Therapeutics, in the Fall Semester and an elective course of their choice in the Spring Semester.

**This outline is a suggested five-year plan. Students who must take developmental courses or who are delayed for any reason should use this plan. Any student may elect to use this plan. Please consult with your Department of Nursing advisor.**

**The Oakwood University Bulletin contains the only official listing of graduation requirements. Each student is responsible for meeting Bulletin requirements.**

**Students cannot enroll in nursing courses other than NU110 Introduction to Nursing until they have been admitted to the nursing program.**

### **GENERAL EDUCATION REQUIREMENTS AND VARIATIONS**

Students who have not passed two years of high school Bible must take RG101 Introduction to the Bible. Students who have not passed two years of the same foreign language in high school must take six hours of a modern foreign language.
