

OAKWOOD UNIVERSITY

Dear Prospective Graduate of 2011.

TUESDAY, October 20, has been set aside for you to register online. The good news is that when you visit your advisor, you will map out the remainder of your academic requirements; Spring 2010, Summer 2010, Fall 2010 and Spring 2011. This means that you will know exactly what it takes to stay focus, apply yourself and finish strong.

Reminder

YOU MUST VISIT YOUR ADVISOR. You may want to visit before your scheduled date to register online. Make sure your advisor clicks off when you have completed your advisement session.
