NURSING

The Oakwood University Bulletin contains the only official listing of graduation requirements. Each student is responsible for meeting Bulletin requirements.

ADMISSION REQUIREMENTS FOR THE GENERIC BACCALAUREATE OPTION:

1. Admission by the university and submission of a separate application to nursing. Admission to the university does not guarantee admission to a specific department for program.
2. University cumulative GPA of 3.00 or above on a 4.00 scale.
3. ACT composite score of 17 or above, or SAT composite score of 840 or above. Satisfactory completion of developmental courses, identified by low ACT/SAT scores, "C" (2.00) or above.
4. Demonstrated reading level at 13th grade, as indicated through diagnostic testing on the Nelson Denny Reading Test administered by the Center for Academic Success (CAS).
5. Earn a grade of C or better in the NU110 Introduction to Nursing course. **The NU110 Introduction to Nursing is a pre-requisite course for admission into the nursing program.** The nursing program begins with the first nursing course **NU111 Health Promotion and Environmental Health.**
6. No grade less than C in the Sciences (biology, chemistry) courses.
7. Achieve a cumulative score of 75 percent or above on the HESI Admission Assessment Exam (Reading/Comprehension, Math, Anatomy & Physiology, Grammar)

Notes:

1. **All freshman students who have declared Nursing as a major and have the required admission requirements must take the following science courses in the first semester of their freshman year:**
 - a. **BI 111 – Human anatomy & Physiology/Lab**
 - b. **CH 101 – Intro to Inorganic/Lab**
2. Student having two failures (C- or less) in the hard sciences (biology, chemistry) or two failures in previous nursing course are not eligible for admission to the nursing program. This policy does not apply to NU110 Introduction to Nursing taken at Oakwood University, which is open to non-nursing majors.
